

Jets, particle production and transport properties in collider and cosmological environments

Friday, August 8, 2014

Strongly coupled systems (10:00 AM - 1:00 PM)

time	[id] title	presenter
10:00 AM	[20] Top down thermalization of strongly coupled gauge fields	Dr VUORINEN, Aleksi
11:30 AM	[21] Equilibration in theories with a holographic dual	Prof. YAFFE, Larry
