

Jets, particle production and transport properties in collider and cosmological environments

Monday, 28 July 2014

Far from Equilibrium in Cosmology (10:00 - 13:00)

time	[id] title	presenter
10:00	[0] Preheating, defect dynamics and gravity waves	Dr FIGUEROA, Daniel G.
11:30	[1] Axions and defects in the early universe	Dr STEFFEN, Frank
