

Jets, particle production and transport properties in collider and cosmological environments

Tuesday, 29 July 2014

Far from Equilibrium in QCD (10:00 - 13:00)

time	[id] title	presenter
10:00	[3] Equilibration on the lattice	Dr SCHLICHTING, Soeren
11:30	[4] Equilibration at weak coupling, parametric estimates	Prof. MOORE, Guy
