

Jets, particle production and transport properties in collider and cosmological environments

Monday, 4 August 2014

Jets and boosted particles (10:00 - 13:00)

time	[id] title	presenter
10:00	[2] Rigorous definition of momentum broadening and q_{hat}	Dr BENZKE, Michael
11:30	[11] q_{hat} , effective theories for particle splitting	Dr CARON-HUOT, Simon
