

Jets, particle production and transport properties in collider and cosmological environments

Monday, August 4, 2014

Jets and boosted particles (10:00 AM - 1:00 PM)

time	[id] title	presenter
10:00 AM	[2] Rigorous definition of momentum broadening and qhat	Dr BENZKE, Michael
11:30 AM	[11] qhat, effective theories for particle splitting	Dr CARON-HUOT, Simon
