

# Jets, particle production and transport properties in collider and cosmological environments

## Thursday, 7 August 2014

### Electroweak baryogenesis (10:00 - 13:00)

time	[id] title	presenter
10:00	[18] Electroweak baryogenesis after LHC8 and before LHC13	Dr HUBER, Stephan
11:30	[19] Quantum transport and electroweak baryogenesis	Dr KONSTANDIN, Thomas
