

# High Time for Higher Orders: From Amplitudes to Phenomenology

## Tuesday, 21 August 2018

### New developments in high precision calculations - 02.430 (10:30 - 12:30)

time	[id] title	presenter
10:30	[5] Recent developments in NNLOjet and applications towards higher orders (30+15)	HUSS, Alexander CHEN, Xuan
11:15	[4] Mass effects in loop-induced processes at NLO (30+15)	WEVER, Christopher KERNER, Matthias
