

Session Program

Feb 19 – 23, 2018

The Evaluation of the Leading Hadronic Contribution to the Muon Anomalous Magnetic Moment

Monte Carlo

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Tue, February 20

2:00 PM

Monte Carlo: Theory

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

14:00 – 14:45

Monte Carlo generators for flavour factories

Speaker

Henryk Czyz

14:45 – 16:00

μ e at NLO, Calculations and Phenomenology, Towards a MC at NNLO

Speakers

Dr Carlo Carloni Calame, Fulvio Piccinini, Massimo Alacevich

4:00 PM
