

Session Program

Feb 19 – 23, 2018

The Evaluation of the Leading Hadronic Contribution to the Muon Anomalous Magnetic Moment

Closing and outlook

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Fri, February 23

10:00 AM

Closing and outlook

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

10:00 – 13:30 **Common document discussion, workshop closing and outlook**

Speaker

Prof. Luca Trentadue

13:30 – 15:00 **Lunch**

3:00 PM
