

Session Program

26–28 Sept 2018

Quantum Fields – from Fundamental Concepts to Phenomenological Questions

Effective field theory for gravity

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Friday 28 September

15:00

Effective field theory for gravity

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

15:00–15:45 **Infrared quantum gravity: Status report**

Speaker

Dr BASEM ELMENOUFI

15:45–16:30 **Towards the quantum effective action(s) of gravity**

Speaker

Dr Frank Saueressig

16:30
