

# Searching for New Physics with Cold and Controlled Molecules

## Wednesday, November 28, 2018

**Discussions and talks on: Dark matter and EDM in atomic/molecular experiments - 02.430 (2:00 PM - 4:10 PM)**

time	[id] title	presenter
2:00 PM	[M0] Testing the parity symmetry in cold chiral molecules using vibrational spectroscopy	Dr DARQUIÉ, Benoît
2:40 PM	[M1] Rotational Spectroscopy and Internal State Control of Cold Molecules	Dr EIBENBERGER, Sandra
3:15 PM	Coffee	
3:40 PM	[M2] Material Size Dependence on Fundamental Constants	Dr PASTEKA, Lukas
