

## Session Program

14–18 Jan 2019

# Future Challenges in Non-Leptonic B Decays: Theory and Experiment

## *Experimental Vision*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430  
Staudingerweg 9 / 2nd floor, 55128 Mainz

# Monday 14 January

14:00

## Experimental Vision

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

Convener: Tim Gershon

15:40
