

Session Program

14–18 Jan 2019

Future Challenges in Non-Leptonic B Decays: Theory and Experiment

Discussion on QCDF

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Tuesday 15 January

14:00

16:00

Discussion on QCDF: Challenges, Visions and Prospects

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

Convener: Marco Ciuchini
