

Session Program

14–18 Jan 2019

Future Challenges in Non-Leptonic B Decays: Theory and Experiment

Light-cone Sum Rules

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Wednesday 16 January

10:00
|
11:00

Light-cone Sum Rules: Overview and Challenges

Session | Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430 | Convener:
Alexander Khodjamirian
