### MITP scientific program "Holography, Generalized Geometry and Duality" 6 - 17 May 2019

| Title | First name    | Last name       | Organisation                                   | Week 1 | Week 2 |
|-------|---------------|-----------------|--|--------|--------|
| Dr.   | Anthony       | Ashmore         | University of Oxford                           | 0      | 1      |
| Dr.   | Benjamin      | Assel           | CERN   | 1      | 0      |
| Prof. | Ibrahima      | Bah             | Johns Hopkins University                       | 1      | 1      |
| Prof. | Oren          | Bergman         | Technion Israel Institute of Technology        | 0      | 1      |
| Prof. | Nikolay       | Bobev           | KU Leuven                                      | 1      | 1      |
| Dr.   | Davide        | Cassani         | INFN Padova                                    | 1      | 0      |
| Dr.   | Christopher   | Couzens         | Utrecht University                             | 0      | 1      |
| Dr.   | Marcos        | Crichigno       | University of Amsterdam                        | 1      | 1      |
| Dr.   | Giuseppe      | Dibitetto       | Uppsala University                             | 1      | 0      |
| Dr.   | Fridrik Freyr | Gautason        | KU Leuven                                      | 1      | 1      |
| Dr.   | Mariana       | Grana           | CEA/Saclay                                     | 0      | 1      |
| Dr.   | Adolfo        | Guarino         | Université Libre de Bruxelles                  | 0      | 1      |
| Prof. | Michael       | Gutperle        | University of California, Los Angeles UCLA     | 1      | 0      |
| Dr.   | Falk          | Hassler         | University of Oviedo                           | 1      | 0      |
| Dr.   | Kiril         | Hristov         | Bulgarian Academy of Sciences                  | 1      | 1      |
| Prof. | Yolanda       | Lozano          | Universidad de Oviedo                          | 1      | 1      |
| Dr.   | Niall         | Macpherson      | SISSA  | 0      | 1      |
| Dr.   | Emanuel       | Malek           | Max Planck Institute for Gravitational Physics | 1      | 0      |
| Prof. | Horatiu       | Nastase         | IFT-UNESP                                      | 1      | 1      |
| Prof. | Carlos        | Nunez           | Swansea University                             | 1      | 1      |
| Dr.   | Eoin          | O Colgain       | Postech  | 1      | 0      |
| Prof. | Leo           | Pando Zayas     | University of Michigan                         | 0      | 1      |
| Dr.   | Achilleas     | Passias         | Uppsala U. and Nordita                         | 1      | 0      |
| Prof. | Michela       | Petrini         | Sorbonne University                            | 1      | 1      |
| Dr.   | Krzysztof     | Pilch           | University of Southern California              | 1      | 1      |
| Dr.   | Paul          | Richmond        | King's College London                          | 1      | 0      |
| Dr.   | Diego         | Rodriguez-Gomez | University of Oviedo                           | 0      | 1      |
| Prof. | Henning       | Samtleben       | Ecole Normale Supérieure de Lyon               | 1      | 0      |
| Prof. | Sakura        | Schäfer-Nameki  | University of Oxford                           | 0      | 1      |
| Prof. | Konstantinos  | Sfetsos         | National and Kapodistrian University of Athens | 1      | 0      |
| Dr.   | Daniel        | Thompson        | Swansea University                             | 1      | 0      |
| Prof. | Alessandro    | Tomasiello      | Università degli Studi di Milano-Bicocca       | 1      | 1      |
| Dr.   | Christoph     | Uhlemann        | UCLA   | 1      | 1      |
| Dr.   | Valenti       | Vall-Camell     | Leibniz Universität of Hannover                | 1      | 1      |
| Prof. | Stefan        | Vandoren        | Utrecht University                             | 1      | 0      |
| Prof. | Daniel        | Waldram         | Imperial College London                        | 0      | 1      |
|       | Peter         | Weck            | Johns Hopkins University                       | 1      | 1      |
| Prof. | Alberto       | Zaffaroni       | Università di Milano-Bicocca                   | 1      | 1      |
