

Heavy-Quark Hadroproduction from Collider to Astroparticle Physics

Monday, 30 September 2019

heavy-quarks and event generators for high-energy astroparticle and forward physics - 02.430 (14:30 - 16:30)

time	[id] title	presenter
14:30	[3] Heavy-quark production and further recent developments in SIBYLL	Dr RIEHN, Felix
15:10	[4] Heavy-quark production and further recent developments in EPOS	PIEROG, Tanguy
15:50	[5] Heavy-quark degrees of freedom, and further recent developments in QGSJET	OSTAPCHENKO, Sergey
