

Heavy-Quark Hadroproduction from Collider to Astroparticle Physics

Wednesday, 2 October 2019

Techniques for the resummation of large logarithms - 02.430 (11:00 - 12:20)

time	[id] title	presenter
11:00	[10] Soft gluon and Coulomb resummation for top-quark pair production at hadron colliders	SCHWINN, Christian
11:40	[11] Resummation techniques for heavy-quark production and Dark Matter annihilation	BROGGIO, Alessandro
