

## MITP Workshop

### "Quantum Vacuum: Renormalization Group

### Anomalies in Cosmology"

September 23 - 27, 2019

| Title | Last name   | First name   | Institute   |
|-------|-------------|--------------|---|
| Prof. | Asorey      | Manuel       | Universidad de Zaragoza   |
| Prof. | Bartelmann  | Matthias     | Universität Heidelberg  |
| Prof. | Barvinsky   | Andrei       | Lebedev Physics Institute, Theory Department                          |
| Mr.   | Boyle       | Latham       | Perimeter Institute   |
| Mr.   | Coriano     | Claudio      | Salento University  |
| Prof. | Dvali       | Georgi       | MPI Munich / NYU (New York)   |
| Dr.   | Emelyanov   | Slava        | Karlsruhe Institute of Technology                                     |
| Dr.   | Glavan      | Drazen       | Université Catholique de Louvain                                      |
| Prof. | Ketov       | Sergey       | Tokyo Metropolitan University   |
| Dr.   | Lopez Nacir | Diana        | University of Buenos Aires  |
| Mr.   | Maglio      | Matteo Maria | Università del Salento  |
| Ms.   | Martins     | Jéssica      | Universidade Estadual Paulista (UNESP)                                |
| Mr.   | Modesto     | Leonardo     | Southern University of Science and Technology (SUSTech)               |
| Mr.   | Moreau      | Gabriel      | Université Paris Diderot  |
| Dr.   | Mottola     | Emil         | Los Alamos National Laboratory  |
| Dr.   | Oshita      | Naritaka     | Perimeter Institute for Theoretical Physics                           |
| Dr.   | Peter       | Patrick      | CNRS  |
| Dr.   | Pirozhenko  | Irina        | Joint Institute for Nuclear Research                                  |
| Dr.   | Popov       | Fedor        | Princeton University  |
| Prof. | Prokopec    | Tomislav     | Utrecht University  |
| Dr.   | Rachwal     | Leslaw       | Czech Technical University in Prague                                  |
| Prof. | Ramos       | Rudnei       | State University of Rio de Janeiro                                    |
| Prof. | Reuter      | Martin       | University of Mainz   |
| Prof. | Shapiro     | Ilya         | Universidade Federal de Juiz de Fora                                  |
| Prof. | Skenderis   | Kostas       | University of Southampton   |
| Prof. | Starobinsky | Alexei       | Landau Institute for Theoretical Physics RAS                          |
| Dr.   | Stergiou    | Andreas      | Los Alamos National Laboratory  |
| Mr.   | Theisen     | Stefan       | Max-Planck-Institut für Gravitationsphysik (Albert-Einstein-Institut) |
| Mr.   | Tiwana      | Karanbir     | LMU München   |
| Prof. | Turok       | Neil         | Perimeter Institute for Theoretical Physics                           |
| Prof. | Wipf        | Andreas      | Friedrich-Schiller-Universität Jena                                   |
| Dr.   | Zanusso     | Omar         | Friedrich-Schiller-Universität Jena                                   |
