

Session Program

21–25 Jan 2019

57. International Winter Meeting on Nuclear Physics

Tuesday Morning Session

Bormio, Italy

Tuesday 22 January

09:00

Tuesday Morning Session

Session | Location: Bormio, Italy | Convener: Wolfgang Kuehn

09:00–09:45 **The AWAKE Experiment**

Speaker

Dr Edda Gschwendtner

09:45–10:30 **Recent developments in nuclear structure theory.**

Speaker

Prof. Dean Lee

11:00–11:30 **News from the "proton radius puzzle"**

Speaker

Prof. Randolph Pohl

11:30–12:00 **"Hadron Spectroscopy at LHCb"**

Speaker

Claudia Patrignani

12:00–12:30 **Antimatter measurements at the LHC and implications for indirect dark matter searches**

Speaker

Dr Francesca Bellini

13:30
