

Session Program

20–24 Jan 2020

58. International Winter Meeting on Nuclear Physics

Thursday Morning

Bormio, Italy

Thursday 23 January

09:00

Thursday Morning

Session | Location: Bormio, Italy

09:00–09:45 Neutron-rich matter in heaven and on Earth**Speaker**

Jorge Piekarewicz

09:45–10:30 Probing the EOS in Heavy ion Collisions**Speaker**

Sherry Yennello

10:30–11:00 Coffee Break**11:00–11:30** Astrophysics studies with stores exotic nuclei**Speaker**

Yuri Litvinov

11:30–12:00 Heavy ions results in LHCb**Speaker**

Pugatch * Valery

12:00–12:30 Recent Flavour results from LHCb**Speaker**

Vincent TISSERAND

14:20
