

Session Program

20–24 Jan 2020

58. International Winter Meeting on Nuclear Physics

Pre-conference school

Bormio, Italy

Monday 20 January

07:00

Pre-conference school: Pre-conference school

Session | Location: Bormio, Italy

07:00–07:15 **Hadron Physics selected topics**

Speaker

Harald Merkel

07:15–07:30 **Nuclear Structure and Astrophysics: selected topics**

Speaker

Prof. Pierre Capel

07:30–07:45 **Heavy Ion Reactions: selected topics**

Speaker

Andrea Dubla

07:45–08:00 **Flavor Physics: selected topics**

Speaker

Daniel Greenwald

08:00
