

59. International Winter Meeting on Nuclear Physics

Monday, 23 January 2023

Monday Morning (09:00 - 12:45)

-Conveners: Laura Fabbietti

time	[id] title	presenter
09:00	[87] Welcome	
09:10	[81] Unravelling the phase structure of QCD at high μ_B with HADES	Prof. GALATYUK, Tatyana
09:55	[68] LHCb and the Flavour Puzzle	MERK, Marcel
10:40	Coffee break	
11:10	[34] Synthesis of light nuclei in hadronic collisions	APPELSHÄUSER, Harald
11:55	[69] Oxygen photo-disintegration as a tool for studying $^{12}\text{C}(\alpha, n)$ at astrophysical energies.	Dr MAZZOCCHI, Chiara
