

## Session Program

Jan 23 – 27, 2023

## 59. International Winter Meeting on Nuclear Physics

*Thursday Morning*

Bormio, Italy

# Thu, January 26

9:00 AM

## Thursday Morning

Session | Location: Bormio, Italy

9:00 – 9:45 AM **Tight Symmetry Energy Parameter Constraints from Neutron Skin Measurements**

**Speaker**  
JAMES LATTIMER

9:45 – 10:30 AM **Hadron physics with LHCb**

**Speaker**  
Mikhail Mikhasenko

10:30 – 11:00 AM **Coffee break**

11:00 – 11:35 AM **Charm quarks from production to hadronisation in heavy-ion collisions**

**Speaker**  
Dr Fabrizio Grosa

11:35 AM – 12:05 PM **Exotic mesons with functional methods**

**Speaker**  
Christian Fischer

1:00 PM
