

59. International Winter Meeting on Nuclear Physics

Friday, 27 January 2023

Friday Morning (09:00 - 13:00)

time	[id] title	presenter
09:00	[85] The quest for Majorana neutrinos	Prof. SCHOENERT, Stefan
09:45	[72] Measuring the hadronic contributions to the muon g-2	DENIG, Achim
10:25	Coffee break	
10:55	[77] Experiments to Populate Correlated Systems of 4 Neutrons	Dr GERNHÄUSER, Roman
11:30	[86] Latest results from the ATLAS experiment	DE MARIA, Antonio
