

**MITP Virtual Workshop: Hadron Spectroscopy: The Next Big Steps -  
14 March - 25 March 2022**

| <b>ID</b> | <b>Title of Courtesy</b> | <b>Title</b> | <b>First Name</b> | <b>Last Name</b>   | <b>Organization / University</b>                          |
|-----------|--------------------------|--------------|-------------------|--------------------|---|
| 1         | Mr.                      | Dr.          | Ashraf            | Abdelaal           | Zagazig university, faculty of pharmacy                   |
| 2         | Mr.                      | -            | Yongheon          | Ahn                | Korea Univ.   |
| 3         | Mr.                      | Dr.          | Miguel            | Albaladejo Serrano | IFIC  |
| 4         | Mr.                      | Prof.        | Ahmed             | Ali                | DESY  |
| 5         | Mr.                      | Prof.        | Tahmasib          | Aliyev             | Middle East Technical University                          |
| 6         | Ms.                      | -            | Munera            | alrashed           | KSU   |
| 7         | Mr.                      | Prof.        | Claude            | Amsler             | Stefan Meyer Institute, Vienna                            |
| 8         | Ms.                      | Dr.          | Liupan            | An                 | CERN  |
| 9         | Mr.                      | Dr.          | Kwame             | Appiah             | ghana atomic energy commission                            |
| 10        | Mr.                      | -            | Anuvind           | Asokan             | University of Bonn  |
| 11        | Ms.                      | -            | Bhoomika          | Atri               | Indian institute of science and research, bhopal, india   |
| 12        | Ms.                      | -            | Nawal             | Bagish             | Dr. Babasaheb Ambedkar Marathwada University              |
| 13        | Mr.                      | Dr.          | Mikhail           | Bashkanov          | University of York  |
| 14        | Ms.                      | Dr.          | Emilie            | Bertholet          | Tel Aviv University                                       |
| 15        | Mr.                      | Dr.          | Vishal            | Bhardwaj           | IISER Mohali  |
| 16        | Mr.                      | Dr.          | Selcuk            | Bilmis             | Middle East Technical University                          |
| 17        | Mr.                      | -            | Aryan             | Borkar             | Sardar Vallabhbhai National institute of Technology       |
| 18        | Ms.                      | Prof.        | nora              | brambilla          | TUM   |
| 19        | Mr.                      | Prof.        | Stanley           | Brodsky            | SLAC National Accelerator Laboratory, Stanford University |
| 20        | Mr.                      | -            | Ning              | Cao                | IHEP  |
| 21        | Mr.                      | Dr.          | Lorenzo           | Capriotti          | Università e INFN, Bologna                                |
| 22        | Mr.                      | Dr.          | Francesco Gio     | Celiberto          | ECT*/FBK Trento & INFN-TIFPA                              |
| 23        | Mr.                      | -            | Jabez Tom         | Chacko             | Forschungszentrum Jülich                                  |
| 24        | Mr.                      | -            | George            | Chanturia          | Universität Bonn  |
| 25        | Ms.                      | Prof.        | Nazia             | Chawdhury          | Shahjalal University of Science and Technology            |
| 26        | Mr.                      | -            | Chen              | Chen               | Tsinghua university, China                                |
| 27        | Mr.                      | Dr.          | Yun-Hua           | Chen               | University of Science and Technology Beijing              |
| 28        | Mr.                      | Dr.          | Kirill            | Chilikin           | LPI RAS   |
| 29        | Ms.                      | Prof.        | Sookyung          | Choi               | Chung-Ang University                                      |
| 30        | Mr.                      | Prof.        | Heinz             | Clement            | University of Tuebingen                                   |
| 31        | Mr.                      | -            | Jordan            | Correa             | CINVESTAV   |
| 32        | Mr.                      | Prof.        | Volker            | Crede              | Florida State University                                  |
| 33        | Mr.                      | Dr.          | Lin               | Dai                | TU Munich   |
| 34        | Ms.                      | Dr.          | Nibedita          | Dash               | NISER   |
| 35        | Ms.                      | Prof.        | Christine         | Davies             | University of Glasgow                                     |
| 36        | Mr.                      | Dr.          | Luiz Paulo        | de Oliveira        | IPEN  |
| 37        | Mr.                      | Prof.        | Guy               | de Teramond        | University of Costa Rica                                  |
| 38        | Mr.                      | Prof.        | Achim             | Denig              | JGU Mainz   |
| 39        | Mr.                      | -            | Tanmay            | Deshmukh           | Air Force Golden Jubilee Institute                        |
| 40        | Mr.                      | Prof.        | Biplab            | Dey                | Eotvos University   |
| 41        | Mr.                      | Prof.        | Sean              | Dobbs              | Florida State University                                  |
| 42        | Ms.                      | -            | Katharina         | Dort               | Justus-Liebig-University Giessen, CERN                    |
| 43        | Mr.                      | -            | Alberto           | dos Reis           | Centro Brasileiro de Pesquisas Físicas - CBPF             |
| 44        | Mr.                      | Dr.          | Mengchuan         | Du                 | IHEP CAS  |
| 45        | Mr.                      | Prof.        | Jozef             | Dudek              | College of William and Mary                               |
| 46        | Mr.                      | Dr.          | Daniele           | Fasanella          | III.Phys.Inst.A, RWTH Aachen                              |

|    |     |       |               |                   |  |
|----|-----|-------|---------------|-------------------|--|
