

# The Evaluation of the Leading Hadronic Contribution to the Muon $g-2$ : Toward the MUonE Experiment

**Tuesday, 15 November 2022**

**Multi-loop: NNLO and N3LO - 02.430 (11:00 - 12:20)**

time	[id] title	presenter
11:00	[23] On the Feynman integrals at two loops and beyond	TORRES BOBADILLA, William
11:40	[24] NNLO QED Virtual corrections for e-mu elastic scattering and related processes	RONCA, Jonathan

## Wednesday, 16 November 2022

### Multi-loop: NNLO and N3LO - 02.430 (11:00 - 12:00)

time	[id] title	presenter
11:00	[26] Report on the Durham workstop/thinkstart on N3LO	ULRICH, Yannick
11:20	[25] QED and QCD massive form factor at three loops	FAEL, Matteo
