Session Program

Mar 16 – 27, 2015

Effective Theories and Dark Matter

Indirect detection theory

Mainz Institute for Theoretical Physics
Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor 55128 Mainz

Mon, March 23

11:00 AM

Indirect detection theory

Session |
Location: Mainz Institute for Theoretical Physics
Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor 55128 Mainz

11:00 – 11:45 AM **Soft collinear effective theory for heavy WIMP annihilation**

Speaker
Dr Tim Cohen

12:30 PM
