Session Program

Mar 16 – 27, 2015

Effective Theories and Dark Matter

Direct detection theory

Mainz Institute for Theoretical Physics
Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor 55128 Mainz

Tue, March 24

9:45 AM

Direct detection theory

Session |

Location: Mainz Institute for Theoretical Physics
Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor 55128 Mainz

9:45 – 10:30 AM **Nuclear aspects of spin-independent scattering**

Speaker

Mr Philipp Klos

10:30 AM
