

# **A Deep-Learning Era of Particle Theory**

**Wednesday, 29 June 2022**

**Morning session: Anja Butter "Boosting Precision Simulations with Generative Models" - 02.430 (11:00 - 12:00)**

# Thursday, 30 June 2022

**Morning session: David Shih "DLEP in Space" - 02.430 (11:00 - 12:00)**

# Friday, 1 July 2022

**Morning session: Matthew Schwartz "Machine Learning for Scattering Amplitudes" - 02.430 (11:00 - 12:00)**
