

Neutrino Scattering at Low and Intermediate Energies

Wednesday, 28 June 2023

Electron measurements for neutrinos - 02.430 (09:15 - 12:45)

time	[id] title	presenter
09:15	[16] Electrons for neutrinos	ASHKENAZI, Adi
09:50	[17] Neutrino related nuclear scattering experiments at MAMI	MIHOVILOVIC, Miha
10:25	[33] Recent measurements at MAMI	DORIA, Luca
10:45	Coffee break	
11:15	[18] Towards accurate neutrino cross sections: the argon and titanium spectral functions from (e,e'p) data	ANKOWSKI, Artur
12:00	[21] Discussion session
