

Session Program

May 8 – 12, 2023

Pushing the Limits of Theoretical Physics

Symposium IV

Mainz Institute for Theoretical Physics, Johannes Gutenberg University

Thu, May 11

4:15 PM

4:45 PM

4:45 PM

5:15 PM

Symposium IV: Effective field theory of Higgs-boson properties

Session | Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University | Convener: Gerhard Buchalla

Symposium IV: NNLO+PS predictions for $Zh \rightarrow l+l-bb$ production in SMEFT

Session | Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University | Convener: Ulrich Haisch
