

Pushing the Limits of Theoretical Physics

Friday, 12 May 2023

Symposium V: Loop integrals and Baikov representations - Hermann-Staudinger-Hörsaal (09:00 - 09:30)

-Conveners: Li Lin Yang

Symposium V: Charmless exclusive B decays - Hermann-Staudinger-Hörsaal (09:30 - 10:00)

-Conveners: Martin Beneke

Symposium V: Quantum gravity predictions for particle physics and cosmology - Hermann-Staudinger-Hörsaal (10:00 - 10:30)

-Conveners: Christof Wetterich

Symposium V: Semileptonic Bc decays to charmonium - Hermann-Staudinger-Hörsaal (10:30 - 11:00)

-Conveners: Fulvia De Fazio
