

# Open Questions and Future Directions in Flavour Physics

- “Relaxed” schedule
- All slots are one hour long
  - ⇒ No need to prepare a one-hour-long talk. Discussion is welcome!
- No need to upload slides, especially if you want to discuss some work-in-progress results
- Please remember to return key and card before leaving!

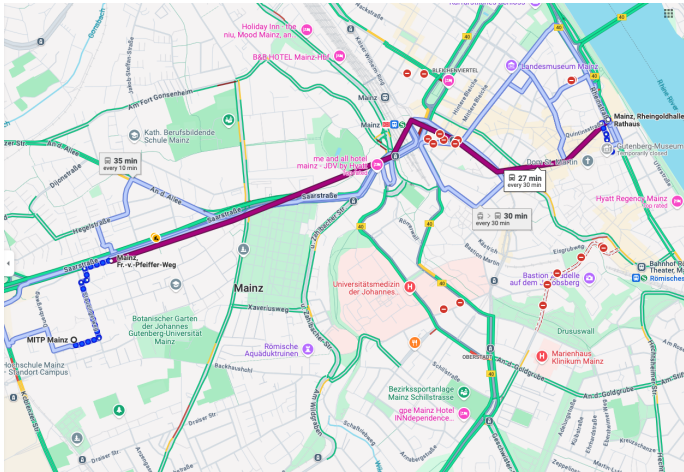

10:00	TBA	J. Tobias Tsang
	2413Q-430 - MTP Seminar Room, MTP - Mainz Institute for Theoretical Physics, Johannes Gutenberg University Mainz 10:00 - 11:00	
11:00	Coffee break	
	TBA	Ludovico Vittorio
12:00	2413Q-430 - MTP Seminar Room, MTP - Mainz Institute for Theoretical Physics, Johannes Gutenberg University Mainz 11:30 - 12:30	
	Lunch	
13:00	2413Q-430 - MTP Seminar Room, MTP - Mainz Institute for Theoretical Physics, Johannes Gutenberg University Mainz 12:30 - 14:00	
14:00	Heavy hadron decays: from beauty to charm	Maria Laura Piscopo
	2413Q-430 - MTP Seminar Room, MTP - Mainz Institute for Theoretical Physics, Johannes Gutenberg University Mainz 14:00 - 15:00	
15:00	Coffee break	
	TBA	Gaël Filari
16:00	2413Q-430 - MTP Seminar Room, MTP - Mainz Institute for Theoretical Physics, Johannes Gutenberg University Mainz 15:30 - 16:30	

- Mensa card rechargeable with cash only
  - ⇒ No refund of the leftover credit
- Other options on campus:
  - ⇒ Bali Bistro Mainz
  - ⇒ Imbiss Diwan Mainz
