

Session Program

27-31 Jan 2025

61st International Winter Meeting on Nuclear Physics

**27 - 31 January 2025
Bormio, Italy**

Bormio Conference

Friday Morning Session

Bormio, Italy

Friday 31 January

09:00

Friday Morning Session

Session | Location: Bormio, Italy

09:00–09:45 Status of the LHCb Experiment**Speaker**

Ulrich Uwer

09:45–10:30 Higgs and Higgs Pairs Overview and Perspectives**Speaker**

Pamela Ferrari

10:30–11:00 Coffee Break**11:00–11:35** Building the Mu3e Detector**Speaker**

Niklaus Berger

11:35–12:10 The Upgrade of the ALICE TPC - When pictures learned to walk**Speaker**

Harald Appelshäuser

12:10–12:45 Current status of double beta decay experiments**Speaker**

Stefan Schönert

12:45
