

Session Program

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor
Phenomena and Electroweak Symmetry Breaking**

Collider Physics II

Schloss Waldthausen

Wednesday 12 November

16:30

Collider Physics II

Session | Location: Schloss Waldthausen

16:30–17:15 **Naturalness vs. the LHC**

Speaker

Anna Kaminska

17:15–18:00 **Perturbative unitarity constraints on the SUSY Higgs portal**

Speaker

Sonia El Hedri
