

**Session Program**

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor  
Phenomena and Electroweak Symmetry Breaking**

***Collider Physics IV***

Schloss Waldthausen

# Thursday 13 November

11:00

## Collider Physics IV

Session | Location: Schloss Waldthausen

11:00–11:45 **EFT for jets with massive quarks**

**Speaker**  
Andre Hoang

11:45–12:30 **Multi-loop squared matrix elements of massive soft Wilson lines**

**Speaker**  
Robert Schabinger

12:30
