

Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

Monday 10 November 2014

Higgs, Electroweak and Flavor Physics II (16:45-18:15)

time	[id] title	presenter
16:45	[6] Consistency and prospects in the SM EFT	TROTT, Michael
17:30	[7] Holomorphy without supersymmetry in the SM EFT	MANOHAR, Aneesh
