

Session Program

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor
Phenomena and Electroweak Symmetry Breaking**

Higgs, Electroweak and Flavor Physics II

Schloss Waldthausen

Monday 10 November

14:00

Higgs, Electroweak and Flavor Physics II

Session | Location: Schloss Waldthausen

14:00–14:45 **Flavor and CP violation in Higgs couplings**

Speaker

Joachim Kopp

14:45–15:30 **Flavor structure from the electroweak scale**

Speaker

Martin Bauer

15:30–16:15 **Higgs and electroweak precision data**

Speaker

Adam Falkowski

16:15
