

Session Program

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor
Phenomena and Electroweak Symmetry Breaking**

Flavor Physics and Compositeness I

Schloss Waldthausen

Tuesday 11 November

09:00

Flavor Physics and Compositeness I

Session | Location: Schloss Waldthausen

09:00–09:45 **Flavor expedition to the Zeptouniverse**

Speaker

Andrzej Buras

09:45–10:30 **Effective Z' bosons in rare B decays**

Speaker

Wolfgang Altmannshofer

10:30
