

Session Program

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor
Phenomena and Electroweak Symmetry Breaking**

Heavy Flavor Physics I

Schloss Waldthausen

Tuesday 11 November

14:30

Heavy Flavor Physics I

Session | Location: Schloss Waldthausen

14:30–15:15 **Some recent results in precision flavor physics**

Speaker

Thomas Mannel

15:15–16:00 **Light-cone distribution amplitudes for heavy hadrons in HQET**

Speaker

Thorsten Feldmann

16:00
