

**Session Program**

10–13 Nov 2014

**Effective Field Theories for Collider Physics, Flavor  
Phenomena and Electroweak Symmetry Breaking**

***New Physics in Rare B Decays II***

Schloss Waldthausen

## Wednesday 12 November

11:00

### New Physics in Rare B Decays II

Session | Location: Schloss Waldthausen

11:00–11:45 **Status of old and new physics in  $b \rightarrow s$  transitions**

**Speaker**

David Straub

11:45–12:30 **Precision constraints on Higgs and Z couplings**

**Speaker**

Joachim Brod

12:30
