

Session Program

19–23 Jan 2026

Bormio Conference 2026

Tuesday Morning

Bormio, Italy

Tuesday 20 January

09:00

13:00

Tuesday Morning	
Session	Location: Bormio, Italy
09:00–09:45	Probing Fundamental Interactions through Precision Spectroscopy of Exotic Atoms
Speaker	Prof. Nancy Paul
09:45–10:30	Instrumentation for advances in PET medical imaging
Speaker	Peter Krizan
10:30–11:00	Coffee Break
11:00–11:35	Exploring Stars in Underground Laboratories
Speaker	Eliana Masha
11:35–12:10	Imaging atomic nuclei through high-energy nuclear collisions
Speaker	Giuliano Giacalone
12:10–12:45	Current and future programs to study the AN interaction from scattering experiments
Speaker	Koji Miwa
