

Session Program

2–6 Feb 2026

Exotic Quarkonia in Heavy-ion Collisions

Exotics in proton-proton collisions

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Monday 2 February

11:30
12:15

Exotics in proton-proton collisions
Session |
Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

11:30–12:15 **Di-pion transitions between heavy hybrids and heavy quarkonium**

Speaker
Joan Soto
