

Session Program

2–6 Feb 2026

Exotic Quarkonia in Heavy-ion Collisions

Exotics in proton-proton collisions

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Monday 2 February

13:45

Exotics in proton-proton collisions

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

13:45–14:30 **Investigation of heavy exotic mesons using lattice QCD static potentials**

Speaker

Marc Wagner

14:30
