

Session Program

2–6 Feb 2026

Exotic Quarkonia in Heavy-ion Collisions

Exotics in proton-proton collisions

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Monday 2 February

15:00

Exotics in proton-proton collisions

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

15:00-15:45 **On X and Z exotic hadrons**

Speaker

Antonio Polosa

15:45-16:30 **Born--Oppenheimer Effective Theory for XYZ exotics**

Speaker

Abhishek Mohapatra

16:30
