

## Session Program

2–6 Feb 2026

## Exotic Quarkonia in Heavy-ion Collisions

*Exotics in proton-proton collisions*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430  
Staudingerweg 9 / 2nd floor, 55128 Mainz

## Tuesday 3 February

09:30

### Exotics in proton-proton collisions

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

09:30-10:15

#### BOEFT for exotics: spectra, transitions, production and perspectives for the exotics evolution in medium

Speaker

Nora Brambilla

10:15-11:00 Hyperfine splittings of heavy quarkonium hybrids

Speaker

Sandra Tomás

11:00
