

Session Program

2–6 Feb 2026

Exotic Quarkonia in Heavy-ion Collisions

Exotics at finite temperature

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Friday 6 February

09:30

Exotics at finite temperature

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

09:30–10:15

Quarkonium Spectroscopy in the Strongly Coupled Quark-Gluon Plasma

Speaker

Ralf Rapp

10:15–11:00

Structure of Exotic States and Their Production in Heavy-Ion Collisions

Speaker

Su Houngh Lee

11:00
