

Session Program

2–6 Feb 2026

Exotic Quarkonia in Heavy-ion Collisions

Round Table 2: What Have We Learned from Heavy-Ion Data about Quarkonium Exotics and what are the possible future directions?

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Friday 6 February

11:30

13:00

Round Table 2: What Have We Learned from Heavy-Ion Data about Quarkonium Exotics and what are the possible future directions?

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
