Flavor Physics with b-Baryons and B_c Mesons: Opportunities for Discoveries

Welcome and introduction

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Tuesday 26 May

10:00

10:15

10:15

10:35

Welcome and introduction: MITP welcome

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

Welcome and introduction

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz

Conveners: Anna Lupato, Biplab Dey, Stefan Meinel
