

## Session Program

19–21 Jan 2026

# YOUNGST@RS - Lost in Translation: The languages of Gravitational Waves

**Thomas Osburn**

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Wednesday 21 January

10:00

10:30

### **Thomas Osburn: Introduction to black hole perturbation theory and self-force methods**

**Session** | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
